PATIENT LOADING SYSTEMS

PRIMARY STRETCHER

| PART NUMBER | DESCRIPTION | MODELS |
|------------------|------------------------------------|-----------------------------|
| HD135-15-1010-01 | Primary Stretcher, LH | EC135P1/P2/P2+ or T1/T2/T2+ |
| HD135-15-1010-02 | Primary Stretcher Install, RH | EC135P1/P2/P2+ or T1/T2/T2+ |
| HD135-15-1010-03 | Primary Stretcher Install, RH & LH | EC135P1/P2/P2+ or T1/T2/T2+ |
| HD117-15-1013-01 | Primary Stretcher, LH | EC145/MBB-BK 117 C2 |
| HD117-15-1013-02 | Primary Stretcher Install, RH | EC145/MBB-BK 117 C2 |
| HD117-15-1013-03 | Primary Stretcher Install, RH & LH | EC145/MBB-BK 117 C2 |

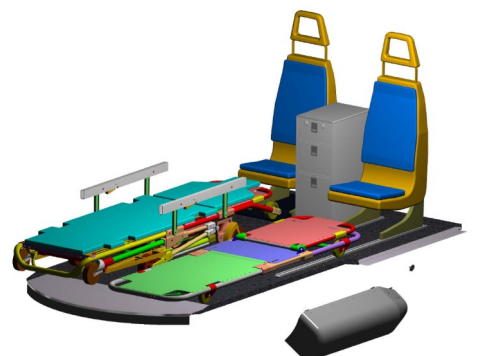

The roll-in loading system with actuated folding-legs and mating ramp assembly ensures proper ergonomics during the loading and unloading from the aircraft.

SECONDARY STRETCHER

| PART NUMBER | DESCRIPTION | MODELS |
|------------------|--------------------------------------|-----------------------------|
| HD135-15-1011-01 | Secondary Stretcher, LH | EC135P1/P2/P2+ or T1/T2/T2+ |
| HD135-15-1011-02 | Secondary Stretcher Install, RH | EC135P1/P2/P2+ or T1/T2/T2+ |
| HD135-15-1011-03 | Secondary Stretcher Install, RH & LH | EC135P1/P2/P2+ or T1/T2/T2+ |
| HD117-15-1014-01 | Secondary Stretcher, LH | EC145/MBB-BK 117 C2 |
| HD117-15-1014-02 | Secondary Stretcher Install, RH | EC145/MBB-BK 117 C2 |
| HD117-15-1014-03 | Secondary Stretcher Install, RH & LH | EC145/MBB-BK 117 C2 |

Optional secondary stretcher designed with quick-folding release handles ensure that the stretcher can be deployed or stowed in a matter of minutes.

*Patient loading systems can be sold in multiple configurations as approved by the supplemental type certificate.
